CDECA ANNOUNCES THE WINNERS...

PROFESSIONAL & STUDENT DECORATING & DESIGN AWARDS COMPETITION

On behalf of the Board of Directors, the Education Committee, and Jana Nor, the Chairman of the Awards Committee, I am pleased to announce the winners of our prestigious Awards Competition. First place winners were presented with beautiful engraved crystal vases. Both first and second place winners received awards certificates and cash prizes. The CDECA cocktail party following Trade Day at the Interior Design Show in Toronto on February 22, 2008 was the perfect venue for presenting the awards and showcasing the winners with a slide show of their winning designs.

We are justifiably proud of the talent of our members. We thank all those who entered and encourage the winners to promote their business and themselves. We also want to thank the judges of the competition for their excellent work at selecting the winners. We thank the Marketing Committee under Director, Tobi Brockway for organizing the Awards party.
